

SILVERSMITHING JEWELLERY COURSE

A SIX WEEK COURSE FOR BEGINNERS

creditonarts
centre

Do you love Jewellery? Always wanted to have a go at making something? Then this is the perfect opportunity for you to learn traditional silversmithing techniques and processes.

Absolutely no experience necessary and all tools and equipment provided.

Learn to make two or three projects in the six weeks working with sterling silver, copper and semi-precious gemstones.

Techniques you will learn include; Piercing, cutting, shaping, soldering, filing, polishing, stone setting etc.

Project led ideas including lily bangle, spinning ring, stacking rings, flower pendant, stone set pendant and more.

Be amazed and delighted with what you can learn and create in so short a time.

Taught by a knowledgeable professional Jeweller, many years experience of teaching and working in the Jewellery trade.

Starting Thursday 14th September
2 till 4pm at the Crediton Arts centre

Course cost £140.00
(Materials extra but not expensive!)
Deposit required of £50 to secure place.

Only six spaces so book early to avoid disappointment!
